

THURSDAY, MARCH 5

7:30 AM–4:00 PM 313 A

Review in Geriatric Psychiatry: Preparations for Subspecialty Examination for Reimbursement for Elder Care
Sponsored by the AAGP Education Committee
TICKETED EVENT

8:00 AM–11:30 AM, 12:30 PM–4:00 PM 306 A/B

Proper Billing and Fair Reimbursement for Elder Care: An Update on Medicare Billing, Coding and Documentation
Sponsored by the AAGP Clinical Practice Committee
TICKETED EVENT

8:00 AM–12:30 PM 301 A

2009 Training Directors Program
Sponsored by the IAAGP Teaching and Training Committee
INVITATION ONLY

1:00 PM–4:00 PM 301 A/B

Research Teaching Day—A Genetics Primer for Geriatric Psychiatry: Beginning the Era of Personalized Medicine
Sponsored by the AAGP Research Committee
TICKETED EVENT

1:00 PM–4:00 PM 304 B

Sleepy, Grumpy, and Dopey: Responding to Late-Life Sleep Disturbance is More Than a Fairytale
Sponsored by the AAGP Nurses' Interest Group
TICKETED EVENT

5:30 PM–8:30 PM

Ballroom(s) A, B, C
Presidential Plenary and Awards Dinner

FRIDAY, MARCH 6

7:00 AM–9:00 AM

Ballroom A
ISS The Rising Tide of Affective Disorders: Focus on Bipolar Disorder
Supported by an educational grant from AstraZeneca

7:00 AM–9:00 AM

Ballroom C
ISS Toxic Effect of Persistent Pain in Older Adults: An Update
Supported by an educational grant from Pfizer

10:00 AM–11:30 AM 301 A/B

SESSION 101
▲ An Ounce of Prevention: Preventing Depression in Later Life

10:00 AM–11:30 AM 304 A/B

SESSION 102
● Pain, Palliative Care, and End-of-Life Issues in Psychogeriatric Patients

10:00 AM–11:30 AM 305 B

SESSION 103
● Teaching Psychotherapy to Geriatric Psychiatry Fellows

10:00 AM–11:30 AM 306 A/B

SESSION 104
▲ Tough Love: Ways to Make the Difficult Decisions When Caring for Dementia Patients

10:00 AM–11:30 AM 313 A

SESSION 105
■ Translational Advances in Understanding Cognition and Emotion in the Aging Brain: From Primates to People

10:00 AM–11:30 AM 305 A

Session 106
▲ Award Winner Paper Presentations

11:45 AM–1:45 PM

Ballroom A
ISS Effective Treatment of Alzheimer's Disease: Translating Guidelines into Practice
Supported by an educational grant from Forest Research Institute, a division of Forest Pharmaceuticals, Inc.

2:00 PM–3:00 PM 306 A/B

SESSION 107
▲ Distinguished Scientist Award Lecture

2:00 PM–3:30 PM 305 B

SESSION 108
● Electroconvulsive Therapy: An Update on the Use of Modern ECT Techniques and New Research Findings

2:00 PM–3:30 PM 305 A

SESSION 109
▲ Hitchhiker's Guide to Teaching: Leadership Essentials for Educators

2:00 PM–3:30 PM 304 A/B

SESSION 110
■ Recent Research Advances in Late-Life Schizophrenia

2:00 PM–3:30 PM 313 A

SESSION 111
● Screening for Memory Problems and Dementia in Clinical Practice

2:00 PM–3:30 PM 301 A/B

SESSION 112
▲ Treating Addiction in Older Adults: The Emergence of a New Generation

3:45 PM–5:15 PM 313 A

SESSION 113
▲ A Staff Development Intervention to Improve Resident Care Through Effective Teamwork

3:45 PM–5:15 PM 306 A/B

SESSION 114
▲ Bob Dylan's Musical Life Review: Creative Resilience and Aging

3:45 PM–5:15 PM 304 A/B

SESSION 115
▲ Evaluating and Managing Aggressive Behaviors in Geropsychiatric Patients

3:45 PM–5:15 PM 305 A

SESSION 116
■ Fragile X-Associated Tremor/Ataxia Syndrome (FXTAS): A Novel Dementia Syndrome

3:45 PM–5:15 PM 301 A/B

SESSION 117
● Geriatric Psychiatry Workforce Across the Pacific

3:45 PM–5:15 PM 305 B

SESSION 118
▲ Treatment of Cognitive Deficits Among Older Individuals with Mood and Psychotic Disorders
Sponsored by The Affiliates Group

7:30 AM–9:00 AM 304 A/B

SESSION 201
■ Cerebrovascular Disease and Depression: A Double Whammy

7:30 AM–9:00 AM 305 B

SESSION 202
■ Depression in Elderly Japanese American Men—Findings from the Honolulu-Asia Aging Study

7:30 AM–9:00 AM 305 A

SESSION 203
▲ How to Mentor the Next Generation of Geriatric Mental Health Practitioners and Researchers

7:30 AM–9:00 AM 306 A/B

SESSION 204
● Inpatient Geropsychiatry in Our Rapidly Changing Regulatory Environment

7:30 AM–9:00 AM 301 A/B

SESSION 205
▲ Optimal Aging and Resilience in Late Life

9:15 AM–10:45 AM 304 A/B

SESSION 206
▲ Baby Boomers and Substance Abuse: Epidemiology, Assessment and Evidence Based Treatment

9:15 AM–10:45 AM 305 A

SESSION 207
▲ Evolving NIMH Priorities: Advancing a Translational Neuroscience Emphasis Within Geriatric Psychiatry Research

9:15 AM–10:45 AM 305 B

SESSION 208
■ Genetic Influences on Late-Life Mental Health: Do Genes Determine Destiny?

9:15 AM–10:45 AM 313 A

SESSION 209
▲ Improving Clinical Assessment in the Nursing Home: Minimum Data Set (MDS) 3.0

SATURDAY, MARCH 7

9:15 AM–10:45 AM 306 A/B
SESSION 210

▲ **Serving Diverse Ethnic Populations: Take Home Pearls from Research for Clinical Practice**

Sponsored by the AAGP Diversity Committee

9:15 AM–10:45 AM 301 A/B
SESSION 211

● **Treating Late-Life Depression: Aiming for the Optimum**

11:00 AM–12:30 PM 301 A/B
SESSION 212

▣ **An International Perspective on Geriatric Depression**

11:00 AM–12:30 PM 305 A
SESSION 213

▲ **Complementary and Alternative Treatments for Late-Life Mood Disorders**

11:00 AM–12:30 PM 313 A
SESSION 214

▣ **Depression in Alzheimer's Disease Study-2: Methods and Initial Presentation of Results**

11:00 AM–12:30 PM 306 A/B
SESSION 215

▲ **Opening the Doors of Long Term Institutions—Addressing Abuse and Neglect**

11:00 AM–12:30 PM 304 A/B
SESSION 216

▲ **Psychotherapy for Older Adults with Mild Cognitive Impairments**

Sponsored by The Affiliates Group

11:00 AM–12:30 PM 305 B
SESSION 217

● **The Geriatric Psychiatry Education Imperative: Models of Interdisciplinary Training**

Sponsored by the AAGP Teaching and Training Committee

12:45 PM–2:45 PM
Ballroom A

ISS **Remitting Geriatric Depression—Focus on Somatic Symptoms and Treatment Adherence**

Supported by an educational grant from Forest Research Institute, a division of Forest Pharmaceuticals, Inc.

3:00 PM–4:30 PM 313 A
SESSION 218

▲ **Advances in Late-Life Bipolar Disorder Treatment 2009**

3:00 PM–4:30 PM 301 A/B
SESSION 219

▣ **Antipsychotics in Alzheimer's Disease? CATIE-AD Findings and Clinical Implications**

3:00 PM–4:30 PM 304 A/B
SESSION 220

▲ **Geriatric Professional's Guide to the Internet: Searching Evidence-based Literature in Geriatric Psychiatry**

3:00 PM–4:30 PM 306 A/B
SESSION 221

▲ **Geriatric Psycho-Oncology: A Primer for Geriatric Psychiatrists**

3:00 PM–4:30 PM 305 A
SESSION 222

▲ **Global Initiatives Addressing the Mental Health of Older Adults**

Sponsored by the International Psychogeriatric Association

3:00 PM–4:30 PM 305 B
SESSION 223

● **Sexuality in Late Life: The Facts of Life for the Geriatric Psychiatrist**

Sponsored by the AAGP Diversity Committee

SUNDAY, MARCH 8

7:00 AM–9:00 AM *Ballroom A*
ISS

Transcending the Current State of Care for Alzheimer Disease

Supported by an educational grant from Novartis Pharmaceuticals Corporation

9:15 AM–10:45 AM 313 A
SESSION 301

▲ **Biology and Treatment Response in Older Adults with Generalized Anxiety Disorder**

9:15 AM–10:45 AM 304 A/B
SESSION 302

● **Facilitating Healthy Aging Through Optimal Management of Three Common Medical Problems**

9:15 AM–10:45 AM 305 B
SESSION 303

● **Old Man's Crack Club: Substance use in the Geriatric Population, from Literature to Clinical Practice**

9:15 AM–10:45 AM 305 A
SESSION 304

▲ **Policy and Politics: Shaping Geriatric Mental Health Priorities in the 111th Congress**

Sponsored by the AAGP Public Policy Committee

9:15 AM–10:45 AM 301 A/B
SESSION 305

▣ **Translational Research in Geriatric Psychiatry**

11:00 AM–12:30 PM 305 A
SESSION 306

● **Innovations in Geriatric Psychiatry Teaching Curriculum for Residents and Fellows**

Sponsored by the AAGP Teaching and Training Committee

11:00 AM–12:30 PM 301 A/B
SESSION 307

● **Mental Health Effects of Disasters among Ethnic Minority Elderly**

Sponsored by the AAGP Disaster Preparedness Task Force

11:00 AM–12:30 PM 313 A
SESSION 308

▣ **Neuropsychological, Neuroimaging and Genetic Markers in Vascular Depression: New Evidence for Differential Effect on Treatment Outcome**

11:00 AM–12:30 PM 306 A/B
SESSION 309

● **New Insights in the General Knowledge, Assessment and Prevention of Delirium**

11:00 AM–12:30 PM 304 A/B
SESSION 310

● **Optimizing Care for the Aging Population: Geriatric Psychiatrists as Medical Directors in LTC**

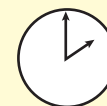

11:00 AM–12:30 PM 305 B
SESSION 311

● **Sexual Expression in Long-Term Care Settings: Clinical and Ethical Issues**

12:45 PM–2:45 PM *Ballroom A*

ISS **Getting a Handle on the Depression/Pain Dyad Before the Tide Swells**

Supported by an educational grant from Eli Lilly and Company

On Sunday, March 8, Daylight Savings Time begins.

The State of Hawai'i does NOT observe daylight savings time.

Please do not adjust your clocks while in Hawai'i.
