

## Poster Abstracts by Title

(EI # - Indicates Early Investigator Session and Poster Number; NR # - Indicates New Research Session and Poster Number)

Poster Abstract Title	Poster #
A Toast to Healthy Aging: Exploring the Neuroprotective Effects of Wine	EI 24
Adapting Interpersonal Psychotherapy for Older Adults at Risk for Suicide	NR 03
Advance Care Planning Among Persons with Cognitive Impairment	EI 38
Age-Related Decline in Cognitive Function is Associated with Cerebrospinal Fluid Concentration of Brain-Derived Neurotrophic Factor	NR 27
Alcohol in Moderation and Risk of Cognitive Decline and Dementia: Review of Prospective Studies	EI 22
Amygdalar Volume in Late Life Depression	EI 02
An Association Study of the Val158Met Polymorphism of the COMT Gene with Orbitofrontal Cortex Volumes in the Elderly	EI 04
An Exploration of Providers' Attitudes and Beliefs About Anti-Depressant Adherence Among Older African-American and White Patients	EI 32
An open-label extension study evaluating the safety and tolerability of extended-release memantine (once daily, 28 mg) in patients with moderate to severe Alzheimer's disease	NR 31
Are Old-Old Patients with MDD More Likely to Relapse than the Young-Old After Open Label Treatment with Escitalopram?	NR 11
Association Between SMI and/or Dementia and Type of ACS Condition Resulting in Preventable Hospitalizations Among Nursing Home Residents	NR 50
Association of Low Blood Pressure with Depression in Community Dwelling Elderly	NR 15
Attachment Style in Late-Life Depression: Does Age of Onset Matter?	NR 14
Barbiturates and Geriatric Suicidal Overdose	NR 05
Benefits and Efficacy of ECT in Treatment of Patients with Mood Disorders and Schizophrenia	EI 30
Benefits of Extended-Release Memantine (28 mg, once daily) on Caregiver Distress: Results of a Multinational, Double-Blind, Placebo-Controlled Trial in Moderate to Severe Alzheimer's Disease	NR 32
Can Collaborative Depression Care Management Reduce Disparities in Depression Treatment and Outcomes?	NR 45
Caring for the Elderly: A Survey of Residents' Attitudes Towards a Career in Geriatric Psychiatry	EI 20
Cerebrospinal Fluid Norepinephrine is Inversely Related to Aspects of Cognition in Brain Aging	NR 26
Change in Cognitive Functioning Following Antidepressant Treatment in Late-Life Depression	NR 09
Cholinergic Receptor Imaging in Alzheimer's Disease: Method and Early Results	NR 29
Clinical Characteristics and Response to SSRI's of a Group of Elderly Shoplifters	NR 24
Clozapine and Global Cognition in Schizophrenia	NR 19
Comprehensive Promotion of Geriatric Psychiatry in Academic Medicine: First Year Experience with the Program for Positive Aging	NR 56
Cultivating Future Physicians to Care for Mental Illness in the Elderly: A Proposed Curriculum for a Medical Student Geropsychiatry Elective	EI 19
Decreased Modulation of the Anterior Default Mode Network During Novelty Detection with Age in Older Patients with Schizophrenia	EI 05
Depression and Objectively Measured Physical Activity in U.S. Older Adults	EI 09
Depression Training for Nurses in Long-Term Care	NR 42
Detection of Depression in Older Adults by Family and Friends: Gauging the Eye of the Beholder	NR 12
Latrepirdine is Well-Tolerated in Patients with Alzheimer's Disease Receiving Memantine or Memantine Plus Donepezil	NR 34
Discovering and Tracking Activities of Daily Living Using Smart Environment Technologies	NR 46
Domain-Specific Cognitive Effects of Moderate Alcohol Use Among Older Adults	EI 23
Effective Semantic Strategy and Remission of Geriatric Depression.	EI 27
Effects of Cholinesterase Inhibitors on Postoperative Outcomes of Older Adults with Hip Fractures and Dementia	EI 15

Effects of Discontinuing Benzodiazepine-derivative Hypnotics on Postural Sway and Cognitive Functions in the Elderly	NR 25
Effects of Oral Rivastigmine on Specific Cognitive Abilities in Patients with Mild to Moderately Severe Alzheimer's Disease: A Pooled Analysis	NR 37
Effects of Rivastigmine Transdermal Patch on Cognitive Ability in Patients with Mild to Moderate Alzheimer's Disease	NR 36
Efficacy and Safety of High-dose (13.3 mg/24 h) Rivastigmine Patch: The OPTIMA Study Rationale, Design and Baseline Data	NR 35
Engagement in Reading and Hobbies and Incident Dementia in the Community: The MoVIES Project	EI 16
Enhancing Quality in Psychiatry Using Pharmacists (EQUIPP) - A Pilot Trial	NR 41
Ethical Issues Related to Withdrawal of Life Saving Treatments in the Elderly	EI 48
Evaluating Cognitive Effects of Oral Rivastigmine Using Subscales and Items of the ADAS-cog in Patients with Mild to Moderate Parkinson's Disease Dementia	NR 39
Evidenced-Based Geriatric Care Principles: Successful Integration within Inpatient Behavioral Health: Undertaking the Leadership Role of Improving System-Wide Geriatric Care.	NR 48
Executive Function in Adult Protective Services Clients Referred for a Decision Making Capacity Evaluation	NR 54
Factors Influencing Alcohol Use Among Older Adult Patients with Depression	EI 10
Factors that Influence Geropsychiatric Nurses'; Decisions Regarding the Use of PRN Medications and Nonpharmacologic Interventions With Older Adults	NR 43
Faithful or Hyperreligious?: Role of Religious Assessment in Determination of Psychopathology of the Geriatric Patient	EI 43
Geriatric Psychiatric Hospitalization: An Inclusive Look at an Acute Inpatient Population on a Specialized Unit	EI 40
Hippocampus Volumes and the BDNF val66met Polymorphism in Geriatric Major Depression	EI 01
Historical Changes in Dementia Severity and the Presentation of Neuropsychiatric Symptoms in a Multi-racial Urban Community	EI 17
How Beliefs Influence Use of Prescribed Treatments for Pain in Older Adults	EI 31
Hyperparathyroidism and Treatment Resistant Depression	NR 16
Identifying Frailty in Older Adults with Serious Mental Illness	EI 08
"If she's stressed, we're all stressed": Influences on Surrogates' Decision Making about Alzheimer's Research Participation	NR 53
Impact of Diabetes Mellitus on Medicare Utilization in Patients with Alzheimer's Disease	EI 36
Insulin Resistance and Alzheimer's Disease: A Pilot Study	NR 33
Interactive Tools to Enhance Mental Health Research	NR 55
Inter-rater Reliability and Validity of the PHQ-9 and GAD-7 to Identify Depression and Anxiety in Older Adults Receiving Aging Services Care Management	EI 37
IRBs' Concerns about DNA Banking: The CSP #546 Experience	NR 51
Long Term Care Resource Use by Minority Seniors Living in the Community	NR 47
Medical Comorbidity and Cognition in Geriatric Patients with Bipolar Disorder and Major Depressive Disorder	EI 26
Medication Beliefs and Adherence Among Community-Dwelling Older Adults	EI 33
Metformin Therapy Provides Weight Reduction Among Older, Long-stay Psychiatric Inpatients Receiving Polypharmacy	NR 21
Neuroleptic Sensitivity Associated Dementia	NR 40
Neuropsychiatric Symptom Profiles in Dementia and Mild Cognitive Impairment: Confirmatory and Exploratory Factor Analysis of the NPI	EI 14
Older Offenders with Mental Illness: Prevalence in U.S. Jails	EI 39
Onset of Metabolic Disorders in Elderly Patients Treated with Atypical Antipsychotics	NR 20
Oral Olanzapine for the Prevention of Post-Ictal Agitation During Electroconvulsive Therapy	NR 22
Patterns of Brain Activity During Perception of Subtle and Full Emotions in Younger and Older Adults: an fMRI Study.	EI 03

Physical Disability, Depression and Service Use Among Older Adults	NR 49
Post Traumatic Stress Disorder in the Elderly: Different Shades But The Same Dark Hue	NR 17
Predictors of Neurocognitive Course in Geriatric Depression and Bipolar Disorder: a 1-year Follow-Up Study	EI 25
Prevalence of Depression, Cognitive Impairment and Mental Health Service Utilization Among Community-Residing Korean Elders: Preliminary Findings from the Memory and Aging Study Among Koreans in Maryland (MASK-MD)	EI 18
Prevalence of Minor Psychotic Symptoms in a Community-Based Parkinson's Disease Sample	EI 13
Primary Care Services Utilization of Older Adults with Minor Depression	EI 35
Psychological Resiliency and Suicide Risk among Community-Residing Older Adults	NR 01
Randomized Placebo-controlled Trial of Memantine for Dementia in Parkinson's Disease	NR 38
Recruitment of Anxious Older Adults into an RCT of Psychotherapy	NR 18
Reduction in Post-Stroke Depressive Symptoms among Patients and Caregivers: The FITT Study	NR 13
Remission in Major Depression: Results from a Geriatric Primary Care Population	NR 10
Research Trends in Alzheimer's Disease; A Perspective From <a href="http://www.clinicaltrials.gov">www.clinicaltrials.gov</a> - Part II	EI 21
Risk of Falls in Elderly Hospitalized Patients	EI 07
Risky Drinking on the Rise: Alcohol Consumption in Two Birth Cohorts of 75-year-old Men and Women	NR 06
Safety and Tolerability of a Once-Daily, Extended-Release Memantine Formulation (28 mg) in Patients with Moderate to Severe Alzheimer's Disease: Results of a 52-Week Open-Label Trial	NR 30
Short-Term Depression and Anxiety Outcomes in Care Management Clients	EI 34
Skin Tolerability of Modern Transdermal Patches	NR 23
Social Adjustment in Late-Life Depression: Effect of Age of Onset	NR 08
Social Exchanges and Suicide Ideation Among Older Veterans with Behavioral Health Issues	NR 04
Spirituality: Racial and Gender Differences in Geriatric Depression	EI 46
Substitute Judgment in Surrogate Decision Making for Alzheimer's Disease Research: A Value in Search of a Meaning?	NR 52
Suicide among the Elderly in the Americas	NR 02
Telephone-based Behavioral Health Assessment for Seniors on New Psychiatric Medication	EI 41
The Accuracy of Medication Records and Utilization of E-Prescribing in a Resident Outpatient Psychiatric Clinic; A Quality Improvement Initiative	EI 12
The Effect of Celecoxib and Naproxen Treatment on Depressive Symptoms in Persons Aged 70 and Over: Findings from a Randomized Controlled Trial	EI 28
The Impact of a Primary Nursing Care Delivery Approach upon the Frequency and Effectiveness of PRN Medication	NR 44
The Meaning of Distress in Older Cancer Patients: Are We Missing the Boat?	EI 47
The Relationship of Spirituality to Indicators of Mental Health and Well-Being in Older Women	EI 44
The Role of Religiosity in the Well-Being of Older Adults with Schizophrenia	EI 45
The Treatment of Depression and Anxiety in Patients Receiving Hospice Care: Is Oral Ketamine Our Answer?	EI 29
Three Cases of Eating Disorders in Old Age	EI 42
Trajectories of Depression in Late Life	NR 07
Use of Topical PLO Cream for the Administration of Psychotropic Agents in Elderly Psychiatric Patients Unable to Take Oral Medication	EI 11
Visual Inspection of Independent Components: Defining the Gold Standard for Artifact Removal from fMRI Data	EI 06
